

Application No. 09/665,919

Interview Summary

On May 15 the undersigned Applicants' representative spoke with Examiner Weisberger via telephone. Applicants' representative asks why the claims were rejected as "being commensurate in scope with these previously rejected claim", as stated in the Office action. Applicants' representative noted that the claims under examination were amended claims and/or new claims that had not been previously considered. Examiner Weisberger agreed that the claims now under examination had not been examined yet, and so the rejection is not proper.

Applicants' representative and Examiner Weisberger have scheduled further discussion to consider the scope of allowable claims.

CONCLUSION

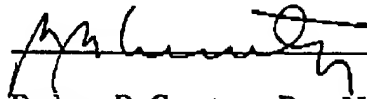

Applicants are appreciative of the Examiner's participation in the teleconference, and respectfully request withdrawal of the rejections in view of the agreement reached by Applicants' representative and Examiner Weisberger.
